

A message from Mrs Llewelyn-Cook...

Dear Parents,

Thank you very much for your support this week in ensuring the children were so well-prepared in every way for the start of a new (but different) school year. The children have been amazing and it has been wonderful to have them all back where they belong.

The plans we had put in place are working well and thank you again for adhering to our systems and procedures- all of which are there to protect us all. These will continue for the foreseeable future and we will be reminding the children that, as they settle in, there will be no let up to the measures we have in place.

The children are immersing themselves fully in school life as we re-establish routines, lessons and learning through the bespoke curriculum we have put in place to support the reintegration of all pupils for the first few weeks.

There is a lovely atmosphere of hope and excitement in school; here's to a purposeful and successful educational and social school experience for everyone this year!

Mrs Llewelyn-Cook

P.S. Question (posed to a 44 boy) 'What's the best thing about being back at school?'

Answer : 'EVERYTHING'!!
