

Autumn 1 Update from Mrs Llewelyn-Cook...

Dear Parents,

We have made it half-way to half term! A massive thank you to everyone in the school community for **continuing to follow our Covid-19 measures** and keeping all of us as safe as possible in and around school. After the Prime Minister's message to the nation during the week, it is clear that these measures will need to be in place for the foreseeable future. We are planning for the winter months and looking at specific issues associated with cold/wetter weather e.g. weather-proofing the walkway across the field to Year 1 and how we can ensure good ventilation and comfortable temperatures indoors.

Despite all the changes we have had to make, it really is **'business as usual' in learning and teaching**. Our curriculum is broad and relevant, with a focus on reading and ensuring we make up any lost learning over the summer as efficiently as possible. See some photos from this week below. We know there will be many annual school events that won't be able to go ahead this year, but we are looking at **creative ways to make up for this**.

Our Covid-19 page on the school web-site is kept **fully up to date**, so please use this as your first point of reference. We always send a text with a link to alert you to any new content. This week we uploaded guidance on **remote learning and our blended curriculum**- should your child need to self-isolate or should we need to close any of our bubbles.

Please remember **we are here for you**. If you are worried about anything, experiencing any difficulties and want to talk, just drop us an e mail or call the office number.

Take care and stay safe,

Mrs Llewelyn- Cook

Our lovely new bright red canopy has been installed this week- shelter from sun and rain!

Experiential learning and lots of fun at Forest School...

Lola's amazing independent writing...

Year 5 Violin lessons...

Keep skipping....
